Subscribe to Stay Informed

Parents/guardians,

Due to Canada's Anti-Spam Legislation (CASL), you need to subscribe online if you want to receive email or text messages on "commercial" school topics such as picture days, student fees, field trip costs, yearbooks, fun lunches and more. If you do not subscribe, you will not receive these messages but you will receive emails on non-commercial topics such as absence and emergency notifications.

In addition, if you want to receive any text messages from your school or the Calgary Board of Education, you need to opt-in for texts.

To receive all messages from your school and the Calgary Board of Education, complete these two steps:

- 1 | To subscribe to receive commercial messages, go to www.cbe.ab.ca/subscribe to enter your email address and click Subscribe. Use your primary email address on file at your school.
- 2 | To opt-in to receive text messages, use your cell phone to text the word **YES** to the six-digit number **978338**. Your cell number must be on file with the school.

If your contact information changes:

- ☐ Tell the school
- ☐ Subscribe online again, if your email address changes
- ☐ Opt-in for text messages again, if your cell number changes

Please note:

- ☐ Your subscription and opt-in will apply to any Calgary Board of Education school that your children attend; however, if you provided different contact information to different schools, you will need to subscribe and opt-in for every email address and cell number.
- ☐ Your subscription and opt-in will continue indefinitely unless you withdraw your consent.
- ☐ You can withdraw your consent at any time. To unsubscribe for commercial messages go to www.cbe.ab.ca/unsubscribe. To opt-out of all text messages, text STOP to 978338.
- ☐ There is no extra cost to receive SMS messages from the CBE, but standard message rates and data charges from your carrier apply when you receive messages from us. Check with your carrier if you have questions about your plan and costs.

Thank you.

This request is sent on behalf of the Calgary Board of Education and our schools. Visit www.cbe.ab.ca/directory for school contact information.

questions & answers

Subscribe to Stay Informed: Canada's Anti-Spam Legislation and Text Message Opt-in

Here are some frequently asked questions about how to make sure that you receive important messages, including commercial messages and messages sent by SMS, from your child's school and the Calgary Board of Education (CBE). You can find more information at www.cbe.ab.ca/subscribe.

What's the difference between subscribing and opting in?

- **Subscribing online** relates to what the message is about: you need to subscribe to get messages about things like busing, fun lunches, picture day, or school fundraisers by email or SMS (text message). These are called commercial messages under Canada's Anti-Spam Legislation (CASL).
- **Opting in** relates to how the message is sent: you need to opt in to receive any SMS messages (in compliance with the Canadian Wireless Telecommunications Association).

Subscribe Online to Receive Commercial Messages

Why should I subscribe?

Most schools send important messages by email (or, sometimes, SMS) that involve commercial activities. If you don't subscribe, you won't get these messages.

What are commercial messages? Are they advertisements?

They are messages that invite you to participate in a commercial activity like buying, selling, or donating. A message about busing for your school, a fundraising event, or even donations being collected for the food bank are all considered commercial.

What if I don't subscribe?

If your school has your up-to-date contact information, you'll still get phone calls from your school, as well as non-commercial email or SMS messages that your school sends. You won't get any commercial email or SMS messages.

So if I subscribe I'll get all of the messages?

There's more to it. To ensure that you get all messages, you need to:

1. **Confirm** that your school has your correct phone number and email address
2. **Subscribe online** to receive commercial messages (cbe.ab.ca/subscribe)
3. **Opt in** to receive SMS messages (text YES to 978338)

I subscribed but I'm still not getting any messages from my school. Why not?

Your school may not have your correct contact information. You can't update this by subscribing online – you need to contact the school office to update your email address and phone number. If your contact information is correct, make sure the messages aren't going into your spam or junk email folder.

I subscribed but I only get some of the messages my school sends. Why?

If you get some of the email or SMS messages your school sends but don't get others, the email address that you subscribed with may not be the one on file with the school, or it may have been entered incorrectly. Try subscribing again at cbe.ab.ca/subscribe. If, after a few days you still aren't getting the messages you expect, let your school office know.

Do I need to subscribe for each email address I use?

You only need to subscribe with the main email address that the school has on file for you. This will allow you to receive commercial messages at any other email address the school has on file for you.

How do I unsubscribe?

If you no longer want to receive commercial messages, you can go to cbe.ab.ca/unsubscribe and use the main email address that the school has on file for you to unsubscribe.

I unsubscribed but I am still getting messages from my school. Why?

Unsubscribing only prevents you from getting commercial messages by email or SMS. Even if you unsubscribe, you'll still get the other messages your school sends.

Can I subscribe without opting in?

Yes. If you subscribe, but don't opt in, you'll get all email messages, but will not get any SMS messages.

Opt In to Receive SMS Messages

How can I get SMS (text) messages?

Not all schools send messages via SMS. If your school does, you can receive non-commercial messages by texting the word **YES** to the six-digit number **978338**. If you want to also get commercial SMS messages, you also need to subscribe online at cbe.ab.ca/subscribe.

What if I have more than one cell phone?

If your school sends SMS messages, you need to opt in separately for each cell phone you want to be able to get those messages. From each, text YES to 978338.

I don't want to get SMS messages anymore. How do I opt out?

You can opt out of text messages by texting STOP to 978338. If you would like to opt out for more than one phone, do this for each one.

Updating Your Information

I have more than one child. Do I need to subscribe and opt in for each one?

No. As long as your contact information is the same, you don't need to subscribe or opt in for each child.

Do I need to subscribe and opt-in each year or when my child changes schools?

No. As long as your contact information is the same, you don't need to subscribe or opt in again.

What if my contact information changes?

Please tell your school. You will also need to subscribe online again if your email changes, and opt-in for texts again if your cell number changes.

Do both parents/guardians need to subscribe and opt-in, if we both want to receive all messages?

Yes, unless your email address and/or phone numbers are the same.

Can I opt in without subscribing?

Yes. If you opt in but don't subscribe, you'll get non-commercial email and SMS messages, but will not get any commercial messages.

Come Volunteer With Us!

We welcome volunteers in the classroom, on field trips and with certain tasks at school or at home. Certain activities or field trips would not be possible without the active participation of volunteers!

As a CBE volunteer, you are placed in a position of trust with students, staff or property. All adult volunteers require a valid security clearance - no exceptions.

Guest speakers or visitors to the school, and parents assisting their own child only are not considered to be volunteers, and do not require a security clearance.

For parents interested in volunteering with their school, CBE covers the full cost of online security clearance applications only through a voucher system.

Volunteer Security Clearance Process

Step 1: Prospective volunteers must first register with the school where you plan to volunteer. This should be done through [MyCBE](#) by clicking on the Online Forms and School Registration tab and completing the Volunteer Registration 2025-26 form. You can also submit an [application](#) through the school office.

School administrators will verify your identity and register you in the CBE volunteer database. The school office will email a letter to you that enables you to obtain a police information check from the Calgary Police Service (CPS).

Please note, prospective volunteers must reside in Canada for a full year before registering. Police clearances from countries other than Canada are not accepted.

Step 2: Visit the CPS online system, [electronic Police Information Check \(ePIC\)](#), to obtain your police check using your CBE volunteer letter. Volunteers should wait to submit their request until they receive an email from **Calgary Police Service – Record Check** inviting them to apply for their Police Information Check with VS for Volunteer. This will ensure the voucher is ready to be redeemed by the volunteer. Voucher costs are covered for online applications only. If a volunteer applies to Calgary Police Service in-person with the e-Pic letter given to them from their school, the \$21.25 application fee will apply.

If a volunteer submits their own payment, there is no option for a refund. There is no refund option for volunteers who have previously submitted applications.

If you are unable to complete the process online, you may visit a [police information check location](#) instead.

Step 3: Once you receive your clearance document from CPS you will need to share it with the school. This can be done through School Engage, in-person or by email.

Annual Volunteer Registration

Each school year, you must complete the CBE volunteer registration form. By completing the form, you agree to abide by the conditions that protect the safety, confidentiality and working environment of CBE schools. You also make a signed declaration with regard to criminal charges.
